Comtec Solar to present at UBS Global Solar, BNP Technology Conferences

- **To participate in more investor conferences in US, Europe to raise corporate profile**

Hong Kong, September 21, 2010 – Comtec Solar Systems Group Limited ("Comtec" or the "Company", together with its subsidiaries the "Group", stock code: HK: 712), a PRC-based leading manufacturer of monocrystalline solar wafers, will present at the Global Solar One-on-One Conference in Los Angeles and Technology Conference in London which will be hosted by UBS Securities LLC ("UBS") and BNP Paribas Securities Asia Limited ("BNP"), respectively, leading international investment banks and institutional securities firms.

On October 12, 2010, Mr. Keith Chau, CFO of Comtec, will present at the conference hosted by UBS, which will focus on investments in the solar sector. One-on-one meetings will take place at Luxe City Center Hotel from October 12-13, 2010.

Following the UBS conference, Mr. Keith Chau will going to London to participate BNP's Technology Conference which will be held November 4-5, 2010. The conference is BNP's regular event bringing together institutional investors and leading Asian companies to exchange ideas and make useful contacts.

"It is our honor to be invited to participate in these giant conferences. After the share placement announcement, investors are paying more attention to our group. The group will continue to participate in conferences to meet shareholders and potential investors in order to raise our corporate profile within the investment community." said Comtec Chairman and CEO Mr. John Zhang.

UBS Securities LLC, formerly known as UBS Warburg LLC, is a Delaware corporation with its principal place of business in New York, New York. The firm engages in a nationwide

securities business and provides equity research, sales, trading services, merger and acquisition advisory services, private banking services and underwriting services.

BNP Paribas Securities (Asia) Ltd. operates as a subsidiary of BNP Paribas. Its fully integrated Asian equity brokerage platform offers institutional clients a comprehensive range of research and execution services in Asian equity products and their derivatives. The platform delivers dynamic, on the ground coverage of nine markets across Asia, including Japan, Korea, China and India.

About Comtec Solar Systems Group Limited

Comtec Solar is a leading monocrystalline solar ingot and wafer manufacturer in the PRC. With its production base in Shanghai, it focuses on the design, development, manufacture and marketing of high-quality solar wafers. Comtec Solar, founded in 1999, is one of the first manufacturers in China to be able to mass produce 156mm x 156mm monocrystalline solar wafers with a thickness of approximately 170 microns. It has accumulated strong industry experience from the manufacture of semiconductor ingots and wafers since 1999. Comtec Solar currently supplies most of its solar products to the leading solar cell/module manufacturers. Listed on the Main Board of the SEHK on Oct. 30, 2009, it is committed to enhancing product quality as well as developing new and innovative solar wafers. As it is well positioned to benefit from the growth of the solar PV industry, the Company aims to broaden its customer base internationally.
